Our Culture

Seeking innovation and differentiating our strategies and concepts to become more competitive and relevant.

Our key to success

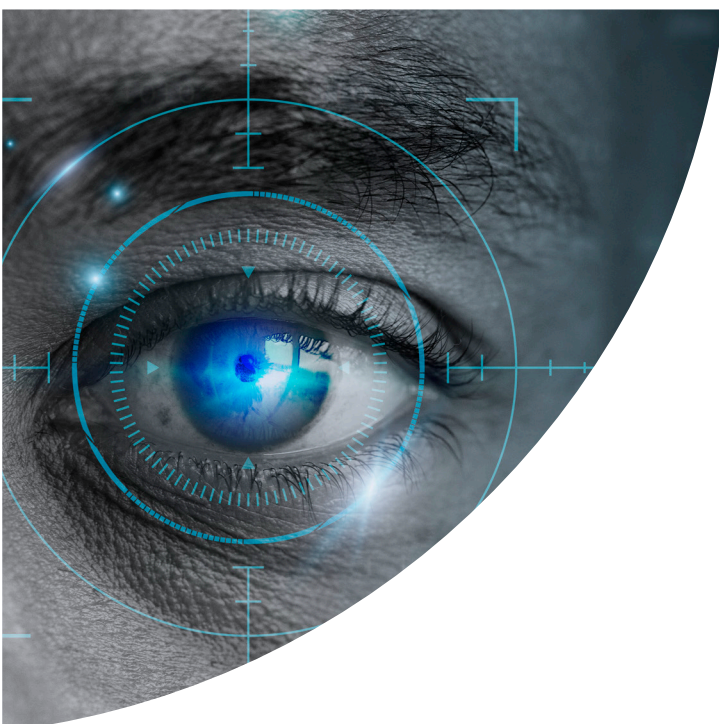

It adheres to the highest standards of operations and practice in ethical promotions, marketing and distribution. The company positioned itself to perform innovative approaches in medical & pharmaceutical marketing.

Our Mission

Providing high-quality healthcare products, prioritizing customer well-being, and fostering a supportive work environment for employees to contribute to individual and national health.

Our Vision

To be the top distributor, co-marketer, and trusted partner to overseas firms in developing the medical services in Iraq.

Our Services

In addition to our established presence in Iraq, we extend our services to encompass a diverse range of healthcare solutions.

01.Consultancy Management

Mephioum is a one-stop business hub for medical and pharmaceutical consultancy services :

- Registration & Legalization
- Multi-Level Training Programs
- Marketing & Sales Consultancy
- Logistics & Inventory Management

02.Health Insurance Programs

As part of the Iraqi government planning to activate the health insurance project in Iraq, Mephioum has proactively established a comprehensive network of more than 450 health-care providers (hospitals, clinics, medical centers, pharmacies, laboratories and medical appliances bureaus) to facilitate the delivery of health insurance services across all provinces of Iraq.

03. Marketing & Sales Services

At Mephioum, we are proud to offer a comprehensive suite of marketing & sales services designed to support our clients in launching and developing their businesses. Our specialized team is equipped to handle a wide range of tasks, providing the necessary expertise to create the ideal environment for business growth.

Our marketing & sales services Include:

1. Market Research
2. Advertising and Promotion
3. Sales Strategy Development
4. Brand Management
5. Customer Relationship Management

04. Iraqi Ministry of Health

Mephioum has a profound experience for various subjects in the related departments of registration, legalization, classification, tenders among others.

Areas Of Interest
